Construction Product

Harmonised Standard	Execution Class of the Construction Product	Declaration Method
EN 1090-1:2009 +A1:2011 and EN 1090-2	Can carry up to and including: EXC 2	1 og 3a according table A.1 of EN 1090-1:2009+A1:2011

Scope:

Load bearing and welded steel structural components.

Produced
by

ENVO-DAN ApS
Industrivej Vest 54
6600 Vejen

Produced in
the manufac-
turing plant (s)

N/A

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standards

EN 1090-1+A1:2011

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 29-12-13 and will remain valid until 29-12-14 as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. (According to Annex 1.)
